

# Essential New Learnings

Week of May 18 - May 22

You've got this! Every day shows what great learners and teachers we have in our class. You're doing so well!

Teaching tip: Take brain breaks to get the wiggles out and keep that happy association with learning.

Subject and Target Minutes	Monday	Tuesday	Wednesday	Thursday	Friday
	Students: Optional Class Meeting in Zoom 9:00 AM	Office time 9:00-9:30		Office time 4:00-4:30	
Reading (~15 min)	"What is this book mostly about?"		Retelling key details: Helping Animals		Integrated Lesson: Reframing thoughts, feelings, and actions
Writing (~15 min)	Provide Reasons	Persuasive signs and lists	Plan writing	Strategies for Tricky Words – remember revising	Digital Citizenship
Math (~15 min)	Use 5 groups for subtraction	Add or subtract 1 for the next number with number paths		Find the number that makes 10	Show what you know!

Remember to login to Lexia and do your minutes! Don't forget Happy Numbers is a great place to get ahead in math!

## Bonus Activities
