These sight word charts are helpful tools that correlate with Jan Richardson's *Next Step Forward in Guided Reading*.

Page 1: Plain overview of sight words for each level

Page 2: A cheat sheet for finding familiar words for "write and retrieve" when teaching a new sight word.

Page 3: A resource to send home to families

Pages 4-11: I laminate these cards and stick them to student's desks. I use my personal laminator and lamination sheets so that they're sturdy enough to stand up.

Check out my TPT for more resources!

You can stick them on desks with sticker clips!
I bought mine from OfficeMax.
