

# Essential New Learnings

Week of June 15 – June 20

This week we'll have more art practices and some check-ins to ensure everyone is meeting "1st-grade ready" goals. Please help children with directions, but when they're stumped with a problem, try saying, "How do you think you should..." to see if they understand the concept. You've worked so hard to get to this last full week of school. Celebrate your success!

Subject and Target Minutes	Monday	Tuesday	Wednesday	Thursday	Friday
	Optional Class Zoom	Office time 9:00-9:30		Office time 4:00-4:30	
Reading (~15 min)	Using words and pictures – and voice – to think about important parts		Reading for Accuracy		Do some Lexia!
Writing (~15 min)	Writing letters to say thank you and more.				Celebrate Success
Math (~15 min)	Happy Numbers for 15 minutes	Solids and flat shapes review	Happy Numbers for 15 minutes	Skip Counting Review	Happy Numbers for 15 minutes

Children rely on routines. Be supportive as you see behavior changes as you anticipate the change in schedule when school winds down.

## Bonus Activities

<u>Reading</u>	<u>Science/Social Studies</u>	<u>Math:</u>	<u>Physical skills</u>	<u>Learn A Lot</u>	<u>Coloring</u>
Read aloud! Read a lot! Reading is going to be your #1 way to keep ready for 1 <sup>st</sup> grade.	<a href="#">Scholastic's Learn At Home activities</a> and readers have great connections to our science and social studies curriculums.	Have printer access? <a href="#">Try these math "center" games.</a> Or Roll two dice and add them up. Can you subtract them, too?	Drumming, bopping a balloon into the air, skipping, <a href="#">all these activities</a> can be done to skip counting or spelling a word! Try them!	<a href="#">Kahn Academy Kids</a> is free and filled with age-appropriate information about science, math, spelling, and more!	Coloring is a great way to keep up pencil skills and to relax. <a href="#">Print</a> , draw, or pick up a coloring book and practice!
